Pray for Students - Respect.

Pray that our children learn to respect those that are in position of authority, as well as those that are on the same playing field. That they will show signs of respect, not only in words, but in deeds. That they will listen attentively, and answer accordingly. That they understand that to show respect to another, means to value their personhood. Help them to act respectfully, even if it is undeserved. In the words of Laurence Stone, "Respect for ourselves guides our morals; respect for others guides our manners."

"The truth is that people always act according to what they believe. It may not be what they say they believe, but deep down it's what they really believe. And false beliefs lead to false actions." —E. Chris Curvin
