As kids start a new school year, it's important we pray for them. August 6 is the first day of school for JCPS. We want our children and youth to have God's help and His protection to be able to face difficult times.

Confidence. Pray they will enter the school year confidently; knowing *who* they are, but more importantly, *whose* they are. Pray they will be secure in their God-given identity, and unafraid to be their true selves. Pray they will walk through the hallways of their school with their head held high and their value intact. Pray they will believe in themselves and not shy away from new opportunities to shine. Also, pray for all the educators, staff, bus drivers, etc. Ask for God's blessing to rest on them as they prepare to help shape, mold and educate our children in the year ahead. Give them what they need, when they need it, to ensure a successful school year.

"Every problem has a soft spot. If it is too big for us, we can take it to God. No problem is too big for God." —Brother Andrew
