Loving-Kindness

A Sunday school teacher once asked her class, "What do you think the Bible means when it speaks of loving-kindness?"

A young boy thought for a moment and replied, "Well, if I were hungry and someone gave me a piece of bread with butter on it, that would be kindness. But if they added a spoonful of jam, that would be loving-kindness."

"We love because he first loved us" (1 John 4:19). This month, let's share God's love in simple ways — a kind note, a prayer, a helping hand. Look for ways to bless someone around you!

Pray for Students - Diligence

Pray that students will remain steadfast in their studies. That their desire to learn will not wane, but will only grow as the school year continues. That they will not give up easily, but will instead push themselves to new heights. That they will set attainable goals that will help set their feet on a path towards success. That they will work hard, and see the fruits of their labor.

Hallelujah Chorus

On Wednesday, February 4, the kids' Hallelujah Chorus will begin practicing music for a Palm Sunday worship service.

Pray for International Missions

Panama Mobilization

Over the summer break in Panama, which is occurring now in the Southern Hemisphere, please be praying for Christian university students. May they share the love of Christ in their homes and be intentional about sharing stories they have learned from the Bible with their families and friends.
