### Family Movie Night

Friday, October 2, at 7:45 p.m.

We will need to take some precautions due to the virus, but we hope you will join us for a great night of fun, safe entertainment for the whole family! The movie is Disney's "The Many Adventures of Winnie the Pooh," and will be projected on an inflatable screen outside. Bring chairs and blankets. Masks will be required except when socially distanced from those who aren't part of your family. Extra masks will be available. Restrooms will be open and will be monitored and cleaned as necessary. Pre-packaged refreshments will be provided as will insect spray and hand sanitizer. There won't be any bus transportation.

### October 31

Because of the virus, we won't have our traditional FunFest with Trunk or Treat this year on Halloween. Conditions permitting, we hope to have some type of event such as a Drive Thru Fest on the 31st. Stay tuned for further details.

### Lord's Supper

Sunday, October 4

If you wish to celebrate the Lord's Supper, please pick up a prefilled cup before you enter the sanctuary.

### Dare to Care Mobile Food Pantry

The Dare to Care Mobile Food Pantry will be in the church parking lot on Thursday, September 8 starting at approximately 9:30 A.M.

### "The Mystery of Grace"

Wednesdays \*\* 7:00 p.m. via Zoom

We have started a new Wednesday Bible study series. The world constantly tells us that we are not enough. Work harder, earn more, climb higher, be better—the mandates are endless.

While progress and excellence are certainly admirable traits, did God ever intend for us to be the best at everything at a high cost? What if God never meant for our lives to be an endless race? What if that gnawing, insatiable quest inside you can be replaced with something so simple that it changes your life inside out? What if our primary calling was not to be successful but to be faithful?

### Financial Report :

September Offerings (to date)	\$7,995.00
September Expenses	\$ 7,867.19

Year-to-Date Offerings:	\$119,298.10
Year-to-Date Expenses:	\$ 96,089.43
