We will be collecting for international missions during the month of December. Please prayerfully consider what you can give to help. All the details will be in the weekly bulletin.

Weather Cancellation Policy

If it becomes necessary to cancel services, it will be announced on: WLKY-TV; the church voice mail (call 361-2911 and listen to the recorded message); the church Facebook page: facebook.com/gcbcky; and the church website: gcbc.ws.

It's sometimes difficult to determine when services should be cancelled. Clearing snow and ice from the parking lot can be a challenge due to refreezing, thus it often has dangerous spots even after snow removal and treatment. At times the roads may be clear but the parking lot may still not be ideal. If we make a decision to have church when the parking lot is not totally clear, we will put that information on voice mail; so that you can make an informed decision about whether you should attend services.
